“This very day in King David’s hometown a Savior was born for you. He is Christ the Lord.”
- Luke 2:11 (CEV)

Long gone are the days of Jesus being a timid little baby in a manger, this month we celebrate all that He had done. We celebrate His birthday because His birth marks the beginning of His journey. His death was the real climax but it was in His resurrection that we were completed!

The cross is empty... the manger is silent... yet all of heaven is filled with the glory of the risen King! “Death ruled like a king because Adam had sinned. But that cannot compare with what Jesus Christ has done. God has been so kind to us, and He has accepted us because of Jesus. And so we will live and rule like kings.” - Romans 5:17 (CEV)

King Herod heard that a new King was born and in his evil, jealous mind he tried to deceive the wise men, pretending to want to pay homage to the new King. His plan was foiled when God Himself revealed to the wise men what Herod’s true intentions were. They altered their plans and were able to leave the area without having to give away the position of the newborn King.

Herod in retaliation to their defiance slaughtered all the children under the age of 2 years old. What a misery that must have been?

As futile as Herod’s attempts to kill the King were, so too are the attempts of Satan to eradicate Christianity from this continent today. We are a Christian nation, built on the cornerstone of Christ, and Jesus still rules this land!

“It is therefore said to Him, “Are You a king then?” Jesus answered, “You say rightly that I am a king. For this cause I was born, and for this cause I have come into the world, that I should bear witness to the truth. Everyone who is of the truth hears My voice.” - John 18:37 (NKJV)

As Christians the pressures of living in this world, with the knowledge that we are not of this world (John 17:16), seems increasingly difficult. But be of good cheer! We have the Creator of the universe on our side! No Herod, no media, no government or any king will ever be able to snatch us from our Father’s hand! (John 10:29)

Sacred Assembly with Angus Buchan – November 2016

Last month, TBN in Africa had the privilege to take part as one of the main media sponsors in a glorious, historical day. Widely loved and respected Evangelist Angus Buchan, called upon the nation to join together in a Sacred Assembly (a holy gathering), to pray together for peace and stability in SA. Angus urged Believers to repent, so that Jesus can heal this land.

It is estimated that over 50 000 people from all over the continent of Africa attended this event. Unity among people of all cultures and walks-of-life were evident, as it was clear that all people are searching for hope, love, peace and stability.

The team at TBN in Africa interviewed prominent individuals that play an integral part in facilitating change in South Africa.

The event was broadcast on TBN in Africa on 5 December 2016. If you missed this broadcast, you can find the full broadcast of the Sacred Assembly on TBN in Africa’s On Demand service. Simply log onto tbninafica.org/on-demand

Also keep a look out on TBN’s social media pages for communication of repeat broadcasts as well as additional interviews with special guest like Mmusi Maimane, Graham Power and more.

TESTIMONY

JESUS TOUCHES THE HEART OF A MUSLIM WOMAN

Dear TBN

Forgive me, I am the wife of a Muslim priest and cannot give my details. I have watched your channel a few times in the evening, but yesterday in the programme with Dr Siva Moodley, it was shocking. How did he know me? When he spoke about me and my sickness, fire came out of the TV.

I am healed. I have watched many programmes on TV before, but never anything like yesterday. Please can you rebroadcast this programme, I want my family to see it. They too must get this fire. I am reading the Bible on the internet now.

Thank you.

THANK YOU

The last ten months have been very busy here at TBN in Africa. We stand in awe of what God has done to enable the launch of TBN back into Africa.

We believe that God is changing and purifying Christian television. Christian television should represent the heart of the Father according to His Word (Jesus), and it should provide a great and anointed viewing experience, with better quality content, more variety and powerful, Spirit-filled, life-changing ministry.

Today we want to thank each and every Partner for the love and support throughout 2016. It is only with faithful Partnerships that we are able to continue bringing God’s Word, Love, Power and Salvation into millions of homes, right here in Africa!
