Resurrect the Dead Situation in Your Life

John 11:25 states, “Jesus said to her, “I am the resurrection and the life. He who believes in Me, though he may die, he shall live.” Jesus spoke these words to Martha after her brother Lazarus had been dead for four days. Prior to this Martha had told Jesus that if He had been present during the time Lazarus was sick, he would not have died. Martha had the revelation that Jesus had death-defying power inside of Him. Martha knew that dying things would come to life when Jesus showed up. After Lazarus had died Jesus declared that He was the resurrection and that anyone who had died would be raised back to life. As sinners when we were dead in our transgressions Jesus’ resurrection power caused us to be alive in Him. Colossians 2:13 “And you, being dead in your trespasses and the uncircumcision of your flesh, He has made alive together with Him, having forgiven you all trespasses.”

In addition to being alive in Christ, we now also possess His resurrection power through the Holy Spirit who dwells in us. We see this in Romans 8:11 that states, “But if the Spirit of Him who raised Jesus from the dead dwells in you, He who raised Christ from the dead will also give life to your mortal bodies through His Spirit who dwells in you.” We have the same power that raised Christ from the dead and we can use it to resurrect any dead situation in our lives, no matter how big or small. This is amazing! However, for this power to work in our lives we have to activate it by faith that operates by love. This is acting in obedience to God’s instruction being fully persuaded that He loves you and that what He has promised will come to pass.

Before Jesus raised Lazarus from the dead He first gave an instruction to those at the funeral to take away the stone that covered his tomb. Their obedience to this faith instruction was their first step to entering the realm of the miraculous. Jesus proceeded to thank God that He had already heard him. Jesus had a strong conviction that God loved him. He stated in John 11:42, “And I know that You always hear Me, but because of the people who are standing by I said this, that they may believe that You sent Me.”

Christ’s resurrection power is available to us at all times. This is because He said that He would never leave us nor forsake us. The way we release this power is by speaking His word. This is confession. Saying the things that God says. It comes from the Greek word ‘homologeo’. Homo meaning one ‘and logeo meaning the logos word of God. The word of God is life as seen in John 6:63 where Jesus says, “It is the Spirit who gives life; the flesh profits nothing. The words that I speak to you are spirit, and they are life.” Our tongues release the life that is in the word of God when we speak it.

THE WAY WE RELEASE THIS POWER IS BY SPEAKING HIS WORD.
