

Johan, Janine & Cjay in studio recording an episode of their tv series, **True North**

WHAT DO YOU SEE...?

Our Featured programmer for this months' TBN in Africa newsletter is Cjay Jansen. Cjay is one of the hosts of TBN in Africa's latest original series, True North.

It was supposed to be a happy and exciting time for Isaiah as he was about to be called into ministry, but there was a death in Israel...

Isaiah 6:1 "In the year that King Uzziah died, I saw the Lord, high and exalted, seated on a throne; and the train of his robe filled the temple."

The king died. When kings die, nations mourn and this could take weeks. So I asked the Holy Spirit... Why not just start the passage with... "I saw The Lord" as it was Isaiah's time to experience the splendor and majestic beauty of God propelling him into his purpose. I heard him drop it in my spirit... I want you to know that death is a reality! Hardships are a reality, but I want you to know that even in death, even in hard times, that My light still shines bright! Just look to Me, don't look around you!

So what do you see?

In the midst of the pain and disappointment, Isaiah "saw the Lord". What do you see for your life, what do you see for 2018, what do you see for your church, for your city, for

your family? Don't let your 2018 go by seeing stagnation, lack, distraction, failed relationships, a failed marriage, no momentum, fear, doubt, isolation etc.

But rather... "I saw hope, joy, the manifest presence of God, a family member getting saved, marriage restored, finances restored, the church grew, influence grew and my city touched by the love of God." I want to see Jesus because, in Him, we move and have our being. Instead of Isaiah saying, I saw bitterness, doubt, I lost perspective, I am gonna isolate myself... He said "I saw The Lord...HIGH and lifted up. And the train of His robe filled the temple!"

This year will bring its own challenges and when they come remember... Spiritually, we have an enemy that is looking to destroy and kill! (John 10:10) He won't rest until he gets you off track. Until he gets you to give up. Until he gets the God-given dream in you to die. I want you to be aware of Satan's devices so that you can stand against it.

Decide today to look up to the Lord. Once you see the Lord in all things, your heart will start to see Truth, Love, Respect, Honour, Self-Confidence, Motivation, Clear Vision and so much more that our God has destined for you.

Love y'all

In *Jerusalem: A Biblical and Historical Case for the Jewish Capital*, Jay Sekulow lays out the evidence for the Jewish people's claim on the land of Israel and their right to view Jerusalem as their eternal capital. You'll want to share this book with anyone who needs a better understanding of why Christians should and do support Israel.
